Subject: Village Chorale Looking Forward

Dear Village Chorale Singers,

After two weeks in China 😊, back in Laguna Woods we found our Chorale eager and ready for our upcoming Veterans Day concert and the Holiday concert. It is thrilling to feel the energy from our conductor, Doug, and our singers as well. **Attached is the lovely flyer that Doug designed. Please make good use of this flyer to invite as many people as we can. JoAnn, our publicist, has articles in the Globe and messages in the Channel 6 bulletin board. *But let us do our part!!***

This is a special endeavor of a first kind the Chorale has undertaken. Doug spent much time in getting guest talents to join us and devising the video images as part of our singing. We will give the audience a musical roller coaster ride.

Our own Shirley Behar took off with the Advertisement Fund Raiser project with jet speed. Let us give her our best support to make it work. *Get Ads, Buy Ads*, to insure we will have a beautifully printed program as a keepsake forever.

Small group Village Singers please take note. I understand the group was not able to stay in the rehearsal room after 4 pm recently. *My sincere apology* for not having made proper arrangements with Club House 3. After some discussions with CH 3 manager, he gave us Dining Room 2 to be used after 4 pm. We could use the room from 4-6 pm, a minimum of 2 hours rental. However, the room is only available for Nov 5, 19, 26, Dec 3, & 17th. On Nov 12, Dec 10, we could use the rehearsal room from 12-1 pm by the small group. Because our rental contract covers 12-4 pm.

There will be a new contract next year. I hope the Rehearsal Room will be available to us for those hours we specifically need.

Again, there will always be new volunteers needed to replace those who served exemplarily but going off the Village Chorale board in the near future. Please let your kind intention be known. Just call any one of us on the current board.

Your loyal servant,

Grace Sams

President for current semester
